

Dr. Forest C Allen  
University of Kansas:

Dear Sir:

I was one of your interested  
listeners at the San Francisco  
Conventions. I would appreciate  
it very much if I could  
obtain one of your rating  
charts for basketball players.  
You said if we would write  
to you at Lawrence Kansas  
you would furnish the material.

Yours Truly,  
Conley Watts
