Dear Phog:

In connection with our request for the use of tennis courts this spring, may I now make specific reference to the request which we have today from Mr. E. A. Thomas, Commissioner of the Kansas State High School Activities Association, that we sponsor a regional tennis meet on Saturday, May 13.

Last year we sponsored a similar meet on your courts. If you are willing, we would like your cooperation to this extent again with Mr. Thomas and the state association.

If my memory serves me correctly, you furnished us some helpers from your department when we held the meet. We would appreciate it if you could assist in this way again this year.

Sincerely yours,

Neal M. Wherry
