Miss D. J. Willcutts,
President, Jay Janes,
1145 Louisiana St.,
Lawrence, Kansas.

Dear Miss Willcuts:

Again the Jay Janes did not miss. But it did seem that we couldn't hit and the Tigers couldn't miss. However, the Jay Janes did their part. It was just impossible to bring the Kansas team up to the high competitive pitch that would have been necessary for them, as the inspired Missouri team were bent on attaining the top rung of the Big Six ladder.

It was impossible to bring the Kansas team up to this necessary high pitch since they had vanquished a fine Oklahoma team and turned back a fighting Iowa State team. The boys did everything they could, but it seemed that they were entirely impotent.

I want to take this means of thanking you and the members of your Jay Jane organization for the very intelligent and loyal support that you have given to our Kansas basketball team.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
