Dean R. J. Walters,  
University of Denver,  
Denver, Colorado.

Dear Dean Walters:

It was good to hear from you again. Mrs. Allen is out visiting Milton and his family at Russell, Kansas, this week. I am writing her and sending your letter along to her for her perusal.

Milton has a ten months old baby girl, called Judith, and of course that is the attraction, or the main one, at least, that called Mrs. Allen out for a short visit. Milton married a lovely girl, Isabel Perry, who was beauty queen here at the University several years ago. In addition to beauty, she has exceptional common sense, which is the thing that makes me very proud of her. Mit is with the Stanolind Oil Company, a Standard subsidiary.

Bobby, our youngest son, is playing on the varsity this year. He is a sophomore and a pre-medic. He is a fine student, and in time will be a good athlete.

Give the Allen's love to the Walters, and rest assured that it will be a great delight for us to spend some time with our fine friends, the Walters.

Wishing you and yours the best yet for 1939, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
