

January 6, 1939.

Mr. R. Harvey Wason,
The Liberty Chronicle,
Liberty, Missouri.

Dear Mr. Wason:

I beg your pardon for the long delay in replying to your letter of December 20. It arrived on my desk just after our return from the Texas trip, and in the rush of things here I have neglected answering sooner.

I have checked with Mr. Falkenstien, financial secretary to Mr. Gwinn Henry, Director of Athletics at the University of Kansas, in regard to press tickets for the Kansas-Missouri game on January 18. I find that their policy has been to refer such requests back to the school of the other state. In your case, your request should go to the University of Missouri officials, and if they approve it we shall be glad to issue the tickets.

The Kansas Legislators have chosen this game as the one they wish to attend in a body, and for that reason our seating space may be somewhat limited. However, if the Missouri officials approve your request, and the Athletic Office here is notified, I believe Mr. Falkenstien will be able to issue the tickets.

Regretting my inability to give you more definite information, and with appreciation of your interest in this game, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
