Dear Dr. Allen:

Just a line to let you know we so thoroughly enjoyed your brief visit with us. I believe you did the student body a lot of good, like spices in a rather flat meal. I am wondering if you would further accommodate us some other time by letting us bring our boys over for an hour or two some evening to meet with you in a class room or your office that you might talk to them a bit about training and sportsmanship.

Yours truly,

H. A. Williamson
