Dear Fog;-

I want to bring my son and daughter to see the KU-Nebraska game this coming Saturday--hence will need tickets for them and Mrs. Welty and myself.

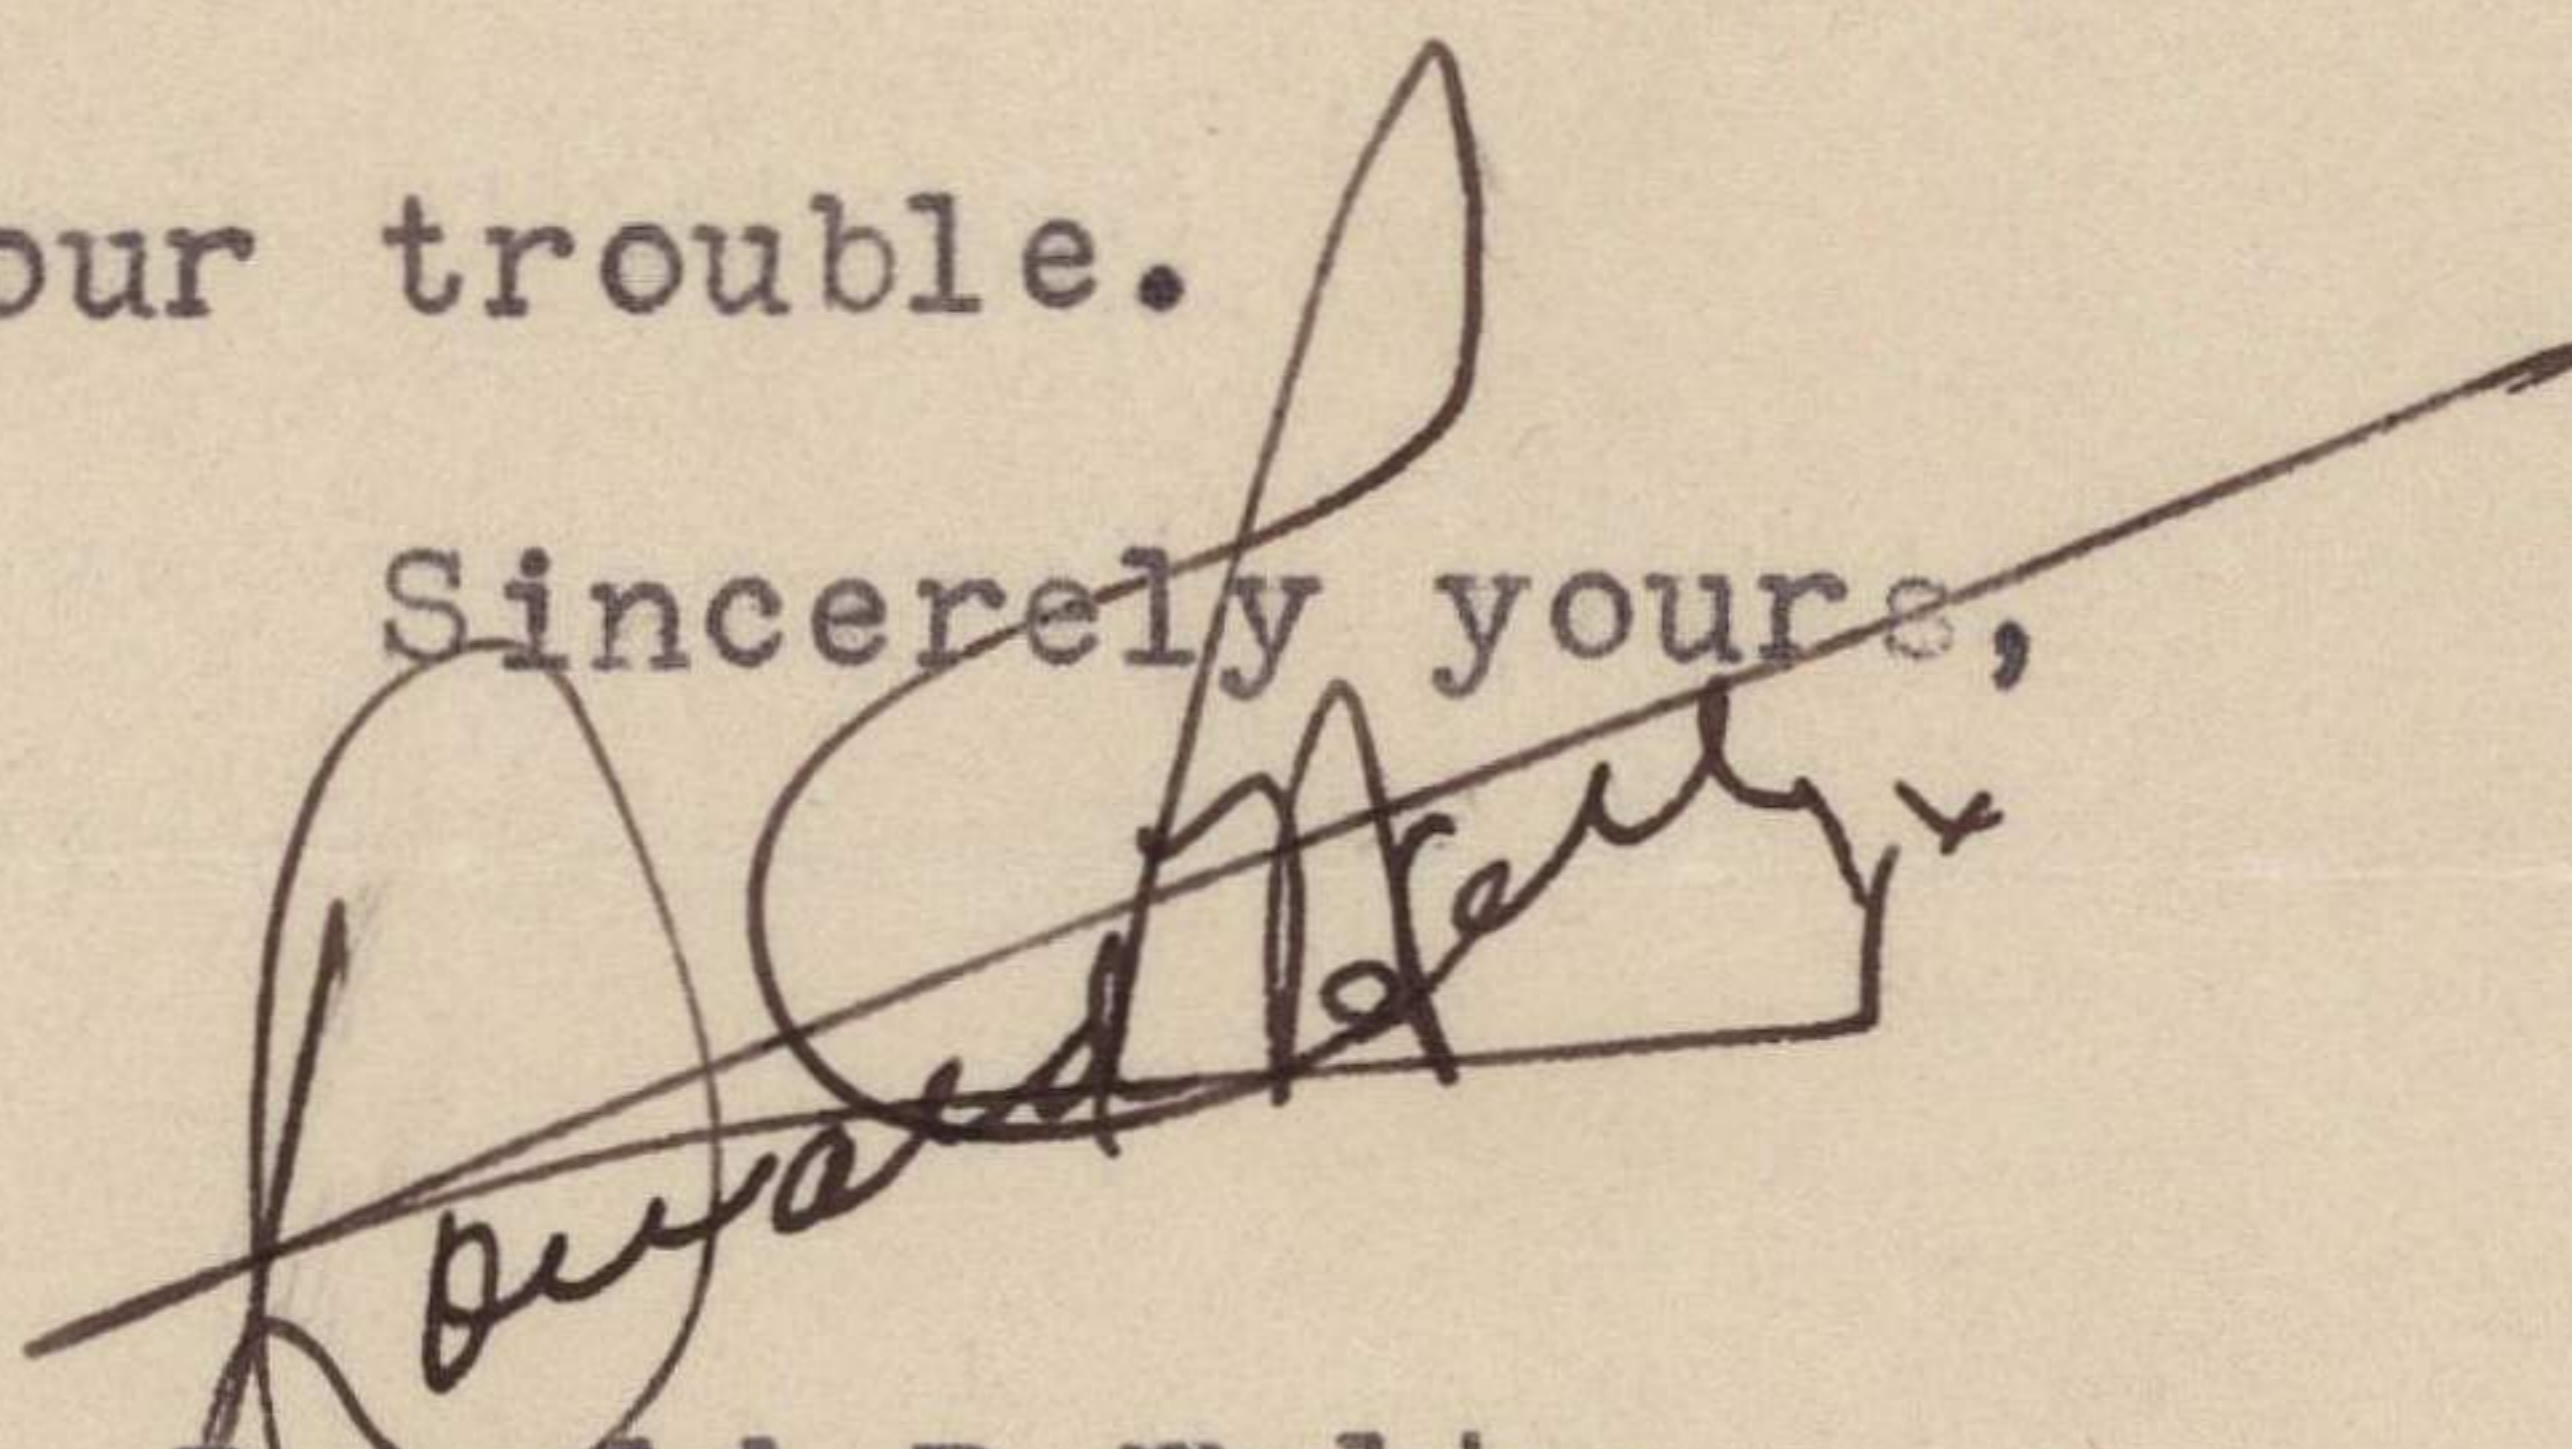

I am enclosing herewith a blank check which I wish you would fill in for 3 tickets and reserve my "K" ticket with the 3 others. My K Card is No. 410.

The son is a high school senior this year and naturally his Dad hopes he will want to be KU bound but that decision is up to him. This will be his first KU game and naturally I'd like to have good tickets both from my personal selfish standpoint and from the idea of creating good will in his mind.

I shall appreciate it if you will see that I get taken care of properly--this happened to be the second time since 1920 that I've used my K card. Am enclosing a self-addressed envelope for the return of the tickets as we may not be able to get away from here until late Saturday morning and to stop for tickets anywhere might be most impossible.

Thanks for your trouble.

Sincerely yours,

Donald R. Welty
