Dear Woody:

It was a pleasure to hear from you, and to know that you are planning on attending at least one football game here this fall.

I am turning your letter over to Mr. Earl Falkenstien, who is financial secretary to Mr. Quinn Henry, Athletic Director. He occupied the same position with me. I am sure you will get very prompt service from Mr. Falkenstien in regard to information about your tickets.

We notice that you say you don't care much for football, but I think you will like our team this year. They have a lot of stuff on the ball - or should have, I might say. This is once you can address your postscript to someone else, as I will not do the worrying about it this year.

Don't sell anybody short on Oklahoma. They say they have a powerful aggregation. So when you see the game at Norman between the Huskers and the Sooners you will see a good game. I am doping them to be one-two in the conference, if you count the Jayhawkers out of it.

As a picker, you look pretty good.

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
