HIS trial supply of WATERBURY'S COMPOUND is sent to you for a fair test of the usefulness of the preparation in your practice. Physicians who have made this test have found Waterbury's Compound a tonic and reconstructive of merit, unusually palatable and efficient in the treatment of coughs and respiratory affections.

If you would like an additional quantity, we will be glad to send it. Please do not overlook to state your name and address.

Dose: One tablespoonful 4 times a day. Children 1 to 2 teaspoonfuls.
