Mr. Forrest C. Allen,  
Kansas University,  
Lawrence, Kansas

Dear Sir:

I have your letter asking me to serve on a committee to help pick the most valuable basket ball player to the varsity this year. We assume that consideration should be given to the non-conference games as well as conference games.

Would be glad to assist but would like to know exactly your opinion regarding the period of time these men should be judged. If it is for conference games only, please advise.

Yours very truly,

Glenn E. Charlton
