

Mr. Warren V. Woody - #2

family and to me. Whether he competed in athletics or not, would not make one iota of difference since you write and say you want me to help him. I will make it a point to see that he has something to do, and this will not be delayed for long. You can count on this.

I string along with you in your choice of the M and N boys. That quick, keen eye of yours and ready discerning judgment don't take you long to make up your mind. I am going to make a special point to see these Chicago boys quite often and I want them to know that they can come to me at any time, day or night, for counsel and consideration.

I really feel unhappy about the thought of all the years that have gone by when we really haven't known and understood each other a little better than we have. From now on, though, I am very sure we are going to have several happy years to know each other.

With every good wish, I am

Very sincerely yours,

Director of Physical Education.
