Mr. Frederick Ware, Sports Editor,
Omaha World-Herald,
Omaha, Nebraska.

Dear Fred:

Alfred (Scoop) Hill, our former alumni secretary, dropped by the office on his way from the east to Cheyenne, Wyoming, where he publishes a paper. He told me about the wonderful review that you gave BETTER BASKETBALL some months ago.

Although I see many issues of your paper, it seems that I have missed that one, and I wonder if it is not too much trouble if you will be kind enough to send me a clipping. Scoop Hill went into stitches, said it was the best review that he had read, and he asked that I should see it.

You have been so generous upon so many occasions in saying nice things that I am somehow confused as to the certainty of having read your article. Anyhow, I would like to see it, and would appreciate very much your sending it to me if it does not entail too much detailed worry on you in your busy hours.

I imagine we will see you down here Saturday with the husking Huskers. At least, we hope so.

With every good wish, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
