Dear Phog:

I am having a little difficulty with Joe Giannangelo. He refuses to reply to my request for an interview with him. The difficulty is that he owes me \$5.00. In addition, he owes \$19.15 to Mrs. Dickinson's Coffee Shop. I feel that we ought to exert some pressure on him and I am very anxious to know if you can possibly persuade him to come in and see me.

Very cordially yours,

Henry Werner
