Dr. Forrest C. Allen,
Director of Athletics,
University of Kansas,
Lawrence, Kansas.

Dear "Phog":

The other day I was at our Lamp Division plant and the people were talking to me about the desirability of placing some of our newest lighting equipment, designed for such purposes, in a modern gymnasium, to be tested under actual conditions. This is not to say that they do not already have such installations; there is, for example, one in the Butler Field House, Butler University, Indianapolis, but I understand that they have some equipment that is even later and better than that.

Anyhow, I suggested that if it so happened my University was in the market for new equipment, there could be no better location, because of your prominence in the field of sports, particularly basketball; because the University has a fine gymnasium; because it is centrally located and host to a great many scholastic and college athletes during the course of a school year. The Lamp Division people were delighted with the suggestion and asked that I get in touch with you. I explained to them, of course, that I had no earthly notion that the University was in the market for new lighting in the gym and that for all I knew they had just put it in in recent months, but that I would sound you out.

Our engineers actually believe that this new lighting is conducive to a better brand of indoor sports, because of appreciably better vision. I imagine that a mutually agreeable arrangement could be made if you happen to be interested.

I have tried the last couple of winters to nab you in New York, and take you out to see Sue and the boy, but you are very hard to nab. How about giving me a ring the next time you are here?

Sincerely,

Johnny

Mr. H. T. Winterbauer,
J. A. Dubow Mfg. Company,
1907-13 Milwaukee Ave.,
Chicago, Illinois.

Dear Mr. Winterbauer:

We have received today one of your molded "Cord-Bilt" basketballs, which you sent at the suggestion of Mr. H. V. Porter.

We shall be glad to give the ball a thorough trial and shall be glad to send you our impression of it.

With appreciation, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Mr. F. C. Allen,
University of Kansas,
Lawrence, Kansas.

Dear Mr. Allen:

On the suggestion of Mr. H. V. Porter, of the National Federation of State High Schools Athletic Association, we have today mailed to you one of our D25 molded "Cord-Bilt" basketballs.

Needless to say we will regard your opinion of this ball with a great deal of esteem and, therefore, would be very pleased to learn of your impression of our ball from the standpoint of appearance, handling qualities, and general performance in play.

We await your early reply with interest.

Yours very truly,

J. A. DUBOW MFG. COMPANY

1907-13 Milwaukee Ave.,
Chicago, Illinois.
Dear Sirs,
During the 1931-32 basketball season we used about five of your balls and they proved to be most satisfactory with the exception of one which lost its shape after a couple of games.
Generally speaking I believe the Dubow basketball is the best on the market. It held up in fine shape during our tournament of sixteen games and the same ball is in excellent condition now.
We intend to use Dubow balls for the coming season of 1932-33.
Thanking you for service in the past.
Very truly yours,

March 2, 1938.

Mrs. E. L. Wellhausen,
1329 Vermont Street,
Lawrence, Kansas.

Dear Mrs. Wellhausen:

As I told you over the phone this morning, we shall have a ticket to the Missouri game for Mr. Easye.

We hope that Mrs. Pralle can come, and if she does be sure to let us know, as we want to have a short visit with her. We have laid aside tickets for Mrs. Pralle and yourself in case she comes to Lawrence, as we know you would like to see the game together.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

C. A. SMART
LAWYER
LAWRENCE, KANSAS

March 1st,38.

Dear Dr. Allen;-

I am going to ask you for a little favor.

Would it be asking too much for a basket ball ticket for our Uncle Charlie? You see,he is the old gentleman the Basye home belongs to, and whom I am taking care of for it, and the Uncle of Prof, Basye, of Dartmouth. I report to Prof, Basye about once a month and I would like to be able to say that Un le Charlie went to the big game of the season.

I have invited Mrs Praelle here for a visit and to see the game where Freddie is so popular. Don't know yet if she will come. I entertained her during the foot ball season so she might see a foot ball game, and Freddie was very grateful to us, and he has seen that Mr Wellhausen has had a ticket to every game.

Hoping I am not asking you for too much and thanking you for so many past favors, and that we will be in a position some day to do something for you,
I remain,

Very hastily,

Mr Edward L Wellhausen

You are invited
to a Banquet
in Honor of the
Ward and Wyandotte
Basketball Teams
Finalists in the
State Basketball Tournament
1938

Tuesday, March 29, 6:30 p. m.
Ward High School

April 19, 1938.

Mr. Earl C. Woodward,
The Salina Journal,
Salina, Kansas.

Dear Woody:

Thanks for your kind letter of the 11th instant.

I am happy to know that you plan to send your son to the University this fall. I will be glad to see him. If he is as good as his dad, then he is a dandy. Congratulations to him on obtaining National Honor Society standing! My son, Bob, did that last year, and I find that those boys who learn to study in high school do a better job in college. Bob made 15 hours of A the first semester, which made his parents very happy. I want your son Bob to meet my son Bob.

I am to speak in Salina on April 28 at the St. John's Military Academy, and hope to see you some time during the day.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

FCA:AH

THE SALINA JOURNAL

SALINA, KANSAS

April 11, 1938.

Dr. F. C. Allen,
Director of Physical Education,
University of Kansas,
Lawrence, Kansas.

Dear Phog:

I have your letter of the ninth relative to C. C. Hardy who is an applicant for the position of football coach in our high school. I am glad to know your opinion of Mr. Hardy because I know that you are in a position to judge his ability while at the University and I value your judgement highly. However, we made a tentative offer to an applicant last week before your letter came. I might add that we have forty-seven applications from which we will make our selection.

I am sending my son, Bob, down to the University this fall. You will probably see him as he likes basketball and was very faithful to the game during his high school course. I don't know that he will make the team but I do hope that he has enough ability to make the squad as I would like very much to have him come under your training if possible. He is a pretty good boy, even if this is his father saying it. He was elected to the national honor society this spring and has served as advertising manager of the high school paper during his senior year. He is only six feet tall and that is rather short as the men on your teams average.

Thanking you for your letter concerning Mr. Hardy and with kindest personal regards, I am,

Yours sincerely,

Earl C. Woodward

March 29, 1938.

President G. W. Diemer,
Central Missouri State Teachers College,
Warrensburg, Missouri.

Dear President Diemer:

Thank you for your kind letter of March 25. I assure you it was indeed a great pleasure to be with you last week.

Glad to know the ankle is much improved.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

March 31, 1936.

Mr. R. E. Walters,
1914 W. Park,
Oklahoma City, Okla.

Dear Mr. Walters:

Your letter of March 22 to Dr. F. C. Allen has been received during Dr. Allen's absence. Since Dr. Allen will be away for several days, I am replying to your inquiry.

Dr. Allen never makes inducements of any sort to boys to come to the University of Kansas to play on his basketball team. Rather, he takes the viewpoint that a boy should come to the University to get an education which will enable him to be of greater service to earn a livelihood.

He, of course, is always glad to have the boys come to the University and have them treat basketball as an aside, but not a main venture. I have often heard him say that he believes it is the wrong attitude for a coach to take to offer a boy a job if he will come to play on his team.

As you probably know, the tuition for out of state residents is much higher than for Kansas students. For that reason it might not be good business for a boy from out of the state to pay the additional tuition money unless he especially wanted to enroll at the University of Kansas for some particular reason. It is rather difficult for a boy to take a full load of college subjects, study hard enough to pass them, play on the varsity basketball team, and work at a job that requires many hours of work, - and make a success of all of them.

If Dr. Allen can help your son in any way I am sure it will be a pleasure for him to do so. Feel free to write him at any time.

Sincerely yours,

Secretary to Dr. F. C. Allen.

OKLAHOMA CITY, OKLAHOMA

Mar-22-38

Phog Allen,
Lawrence. Kansas.
Dear Sir

The writer has a son Rex Walters,
whom graduated last year at Classen high of
this City, played basketball under Skemma Miller
and was all state Center last year, he is six foot four
and weighs around one hundred ninety pounds. while
in training.

This year he is going to A. M. A. Claremore Okla,
and has to date made an honor student and was
high point man in their ball games.

He wants to play and graduate under you,
and ask me to write you and see if they
was anything you could offer him, in a way
of working his way through your ~~university~~
next year.

you may write to him at Claremore,
Okla, Or A. M. A. Troop A, or the writer.

yours Very Truly

R. E. Walters,
1914 W Park,
Okla City. Okla.

August 12, 1938.

Mr. Sheldon Wingerd,
1332 Tyler,
Topeka, Kansas.

Dear Mr. Wingerd:

Thank you for your kind letter of July 19. It has been quite some time since I received your letter, but I am supposed to be on vacation and have been in and out of the office somewhat irregularly.

I appreciate your writing about Cleon Childs, but personally I could not guarantee any boy a job at so much per month. It has never been my practice to promise a fellow work, because you are taking on a lot of responsibility when you promise a boy a job.

I thank you for your interest in this boy and in K.U., and trust that he will find it possible to go to school this fall.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

GEORGE M. ROBB, PRESIDENT E. D. MUSTOE, CLERK RAY H. DIBLE, TREASURER

Rexford Consolidated Schools

JOINT DISTRICT NO. 88

SHELDON WINGERD, SUPERINTENDENT

Rexford, Kansas

July 19,38.

Dr. Forrest C. Allen,
University of Kansas,
Lawrence, Kansas.

Dear Sir:

I am writing to you to advance the cause of Cleon R. Childs of Rexford, who has an ambition to go to K.U. He needs a job to make the break. In some cases, you may be able to push something in the way of a good boy who is willing to work and make sacrifices in order to get an education.

Cleon is a slightly above average student, and clean in morals. He comes from a good family who are not in the best of financial condition and consequently cannot send Cleon on thru school. They are not a family to believe much in education, and if he goes he must go under his own power. He is 18, six feet in heighth, and weighs about 160 lbs. He played center and forward on our basketball team the past year, and scored better than 300 points in regular scheduled games, which I believe is fairly good for a boy from a small school, especially when we had some rather tough competition. If you followed the smaller schools any, you will recall that our team went thru the League, and thru the Colby Regional in Class B, and to the Class B State Tournament at Salina.

Cleon has made an excellent track man in addition, and took lower than first in the hurdles but once this spring. He has played a little football, and should make an end.

Several of the other boys on the squad are going to Washburn but that is out of the question for Cleon as the tuition is too high. He has expressed a preference for K.U. over any other school and probably will not get too interested in any openeings that might turn up down here at Topeka.

He needs a job for room and board. I think about the limit of his money from home will be books, clothes and tuition.

Do you think you can do anything for him?

Sheldon Wingerd

Sheldon Wingerd,
1332 Tyler,
Topeka, Kansas.

Professor J. J. Wheeler,
Department of Mathematics,
University of Kansas.

Dear Professor Wheeler:

I want to thank you for your kindness in bringing me the Science News Letter carrying the article on "College Sports Warned to Avert Greek Fate".

This was very kind of you to think of me, and kinder still to bring me the article. It is greatly appreciated, as are all of your kind acts.

With every good wish, I am

Very sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.

Miss Woody is a major in the Department of Physical Education and has shown excellent qualities of leadership, character, and personality. She is very energetic, much interested in her chosen field, and was very successful in her practice teaching. She is a most attractive young woman, and has a fine background. I am very happy to recommend her without evasion or reservation.

June 24, 1938.

Dean Elmer D. West,
Stoneleigh College,
Rye, New Hampshire.

Dear Dean West:

I am in receipt of your letter of the 14th instant in regard to a young woman for the position as director of your Department of Physical Education.

I wish to recommend most highly one of our recent graduates, Miss Virginia Walker. Miss Walker is a very cultured and talented young woman, and rates A No. 1 in every particularly. I am, of course, not sure that she would be interested in your position, as she is earning a salary of $1800 per year at the Y.W.C.A. in Cincinnati. I notice that you will offer $1200 to $1500 and maintenance.

Miss Walker's address is Y.W.C.A., 9th and Walnut Street, Cincinnati, Ohio.

Very sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
