Mr. Harry Wiles,
Macksville, Kansas.

Dear Harry:

I was sorry that I missed you when you stopped to say good-by. I was out at Brown's Grove arranging for the Summer School picnic which will be held Monday.

I desire to congratulate you not only upon your baccalaureate degree, but upon your all-around general worth. You have been a fine student, a great athlete and a real he-man. I have been very fond of you, and I wish for you and yours all the success that should come to as worthy a young man as you.

With every good wish, I am

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
