

Nebraska High School Athletic Association

Member of National F. of Athletic Associations
WALTER I. BLACK
EXECUTIVE SECRETARY
LINCOLN HOTEL
LINCOLN, NEBRASKA

March 17, 1931.

Dear Sirs,
I have just received from the Dubow Manufacturing Company, 1307-13 Milwaukee Ave., Chicago, Illinois, a check in the amount of \$32.96 for Nebraska State Tournament basketballs.
I will be interested in learning the unanimous expression of pleasure and approval of the balls sent us for not only the State Tournament but the other Nebraska tournaments as well. To date we have had but two balls that went bad throughout the State during the three elimination series of tournaments. We think that is nearly a 100 percent record.
Expect to see you through this way sometime in the near future.

Sincerely yours,
Walter I. Black

J.A. Dubow Mfg. Co.,
1307-13 Milwaukee Ave.,
Chicago, Illinois.

Dear Sirs,

During the 1931-32 basketball season we used about five of your balls and they proved to be most satisfactory with the exception of one which lost its shape after a couple of games.

Generally speaking I believe the Dubow up in the shape during our tournament of sixteen games and the same ball is in excellent condition now.

We intend to use Dubow balls for the coming season of 1932-33.

Thanking you for service in the past.

Very truly yours,

F. A. Smith

Southard School
Southard, Okla.
I hereby to unanimously endorse the Dubow National Federation Approved Basketball to those bearing the name just completed our Southard Tournament in which all teams and seven girls teams competed. Only one ball was used throughout the entire tournament, including the final game, and it was in perfect shape and in as good condition as it was in the first game. This ball was purchased from you.
Thanking you for your excellent cooperation, we are

Very truly yours,
F. A. Smith

Mr. L. M. Clarno,
J.A. Dubow Manufacturing Co.,
Chicago, Ill.

My dear Mr. Clarno:-
We had fine success with the D35 National Federation Approved basketballs during the past season. They held their shape well and seemed to stand up better than most balls we have used.

Very truly yours,
R. A. Hunsicker
