Kansas Power & Light Co.,  
Atchison, Kansas.

Dear Mr. Ahlborn:

Thank you for your very kind letter of the 19th, but I believe it will be better for me to go directly to the church. I have been to the Methodist Church in Atchison before, and you will doubtless have other things that you will want to do.

I will be delighted to see you at the church next Tuesday evening.

Sincerely yours,
