My dear Mr. Fuller:

Dr. F. C. Allen sent a copy of your letter over to me, and I appreciate very much what you said about the Band.

We will be in Kansas City Friday of this week, playing at Wyandotte, Argentine, and Shawnee Missions high schools. We will play a double assembly program from nine to eleven o'clock Friday morning at Wyandotte, and will have lunch in their cafeteria shortly after eleven o'clock. We would be delighted to have you drop over and hear the Band in one or both of these programs, and be our guest at lunch.

We will have around ninety boys in the group, and they are looking forward to a big time in Kansas City. Hoping to see you Friday morning, I am

Yours very sincerely,

Director of Bands
