OFFICE OF THE DEAN

All Instructors are urged to comply promptly with the following request of the Veterans Training Service:

Dean Paul B. Lawson
College of Liberal Arts
229 Frank Strong

Dear Dean Lawson:

In order to be able to satisfactorily issue books and supplies to veterans enrolling for the summer session it will be necessary for this office to have a complete listing of books and supplies for any courses not offered during the past semester, and any changes in requirements for courses that were offered during the Spring semester.

It is important that you remind instructors that they are to approve only those books and supplies for veterans that are required of all other students taking the same course. Such items that may be used in several classes, such as notebooks, notebook paper, pencils, ink, etc; will be approved by this office, and should not be approved by individual instructors.

Will you please send us your list of texts and equipment for new courses and changes or additions for courses offered in the Spring semester? This report should reach this office not later than June 7th.

Very sincerely yours,

Edwin R. Elbel

Dr. E. R. Elbel
Veteran's Office

Dear Eddie:

Thank you very much for your invitation to serve as an official at the Kansas Relays. I would be delighted to do this, but I am planned on inviting the high school seniors in to shoot goals the morning of the Relays. This has gone over in such a big way that I believe this is more important than my serving as an official.

However, I do want to thank you for asking me.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach.
