My dear A. B.:

We have been very much interested in having one of the district offices located in Lawrence. I refer to the set-up under the eight-member Veterans Advisory Committee of which you are one of the members.

A group of us from Lawrence, Kansas, including Dolph Simons of the Journal World, Ogden Jones of the University, who is chairman of the Selective Service Board of our city, George Hedrick, Secretary of the Chamber of Commerce, Cecil Hough, an influential legionnaire and city manager of the Kansas Electric Power Company, Prof. J. N. Carman, representing the veterans at K. U. under the Veterans Administration, and myself.

We called on Bill Money Penny and set forth the reasons why we thought Lawrence was entitled to a district office. We will appreciate your consideration of our claim when the matter comes up before the group. With every good wish to you and yours, I am

Sincerely,

Forrest C. Allen
Governor, District 123 R. I.
