Gentlemen:

We have recently received an invoice from your company for 40 months overtime on Cylinder 25995 for \$20.00.

Early in September your representative, Mr. Watt McCain, called at this office and arrangements were made to return this empty cylinder to your Niagara Falls branch. At that time nothing was said about there being a charge for overtime on this cylinder.

There is nothing in our records to indicate that there was to be a charge on the cylinder, and we do not feel justified in paying this account.

I trust that this matter may be cleared up in your office. No doubt there is a mistake in this charge.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
