CHLORINE CYLINDERS

Gentlemen:

#1321 (not here)

We give our Liquid Chlorine customers service thru the careful maintenance of our Chlorine Cylinders and Valves. This means periodic inspections.

Help us to maintain this service by filling out the last two columns on the attached return postal card covering Cylinders which have been in your possession more than 90 days.

PLEASE USE THE OLDEST CYLINDERS FIRST AND RETURN ALL
EMPTY PROMPTLY

Thank you.
