Dear Dr. Allen:

I was very much interested in your letter of October 9, inclosing the information regarding your plan of recreation for the children of faculty members on Saturday mornings. We appreciate the fact that there is a lack of available playground space in the City of Lawrence. Whenever the opportunity presents itself you may be sure that we will be glad to cooperate with you in any way possible to improve the recreational and playground facilities for Lawrence children.

Very sincerely yours,

*Clifford D. Dean*
