

However I was unable to do so. at that time I was just beginning to learn my new work. They told me I wouldn't be able to get off Saturday morning since one days business has to be performed in a half day. I arrived at the Recruiting office Saturday afternoon to find that I wouldn't be able to see either man.

My present plans as to take care of my family the best I can. I prefer to stay at Sheffield if things work out as planned. If they dont, I have several enticing offers of employment with more money.

I was watching R.U.'s team during the playing of the "Star Spangled Banner" last night. They were very impressive all standing together at attention. However the thought came to me of their forming a V (for Victory) + still standing at attention. I believe the publicity would be favorable, especially during the present times.

Many thanks again for your nice letter + telephone call. Give Aunt Bessie our love. The family joins me in sending our fondest regards.

most sincerely,

Frank
