

THE UNIVERSITY OF KANSAS  
LAWRENCE

OFFICE OF  
THE CHANCELLOR

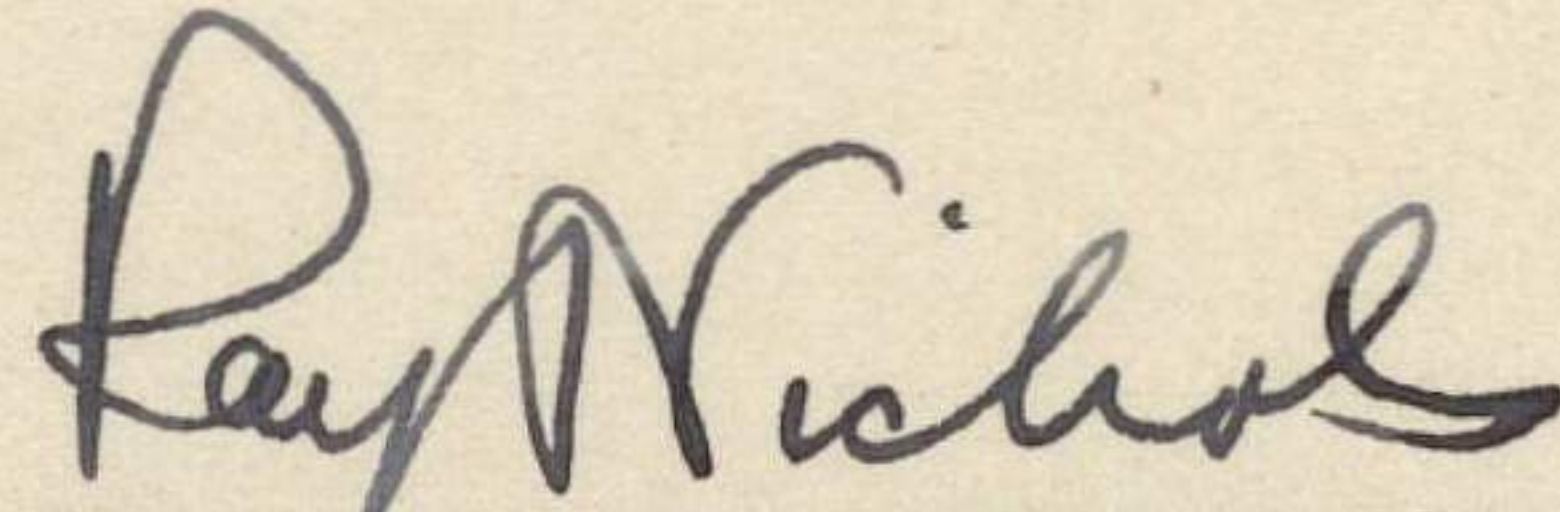

March 27, 1946

Memorandum to Dr. Allen -

The watchmen have reported wholesale smoking on all floors of the gymnasium during intramural competition in recent nights. I just want to call attention to the fact that smoking has always been prohibited in the gymnasium, and that there has been no relaxation in this regulation.

The cooperation of all parties concerned in the enforcement of this rule is requested. We dare not risk the loss of a building by fire.

Sincerely yours,

---

Executive Secretary
