Dear Phog:

I have been very slow in getting an answer for you on the use of the Athletic Association's quarters for a dressing room.

The Athletic people seem to think it is impractical at the moment, not only because of the fact that all their records are stored there, but because in addition the ASTP have been given permission to store their athletic equipment in that room.

Sometime I'll try to get over and take a look if it might be possible to find a way around these difficulties.

Sincerely yours,

Deane W. Malott
Chancellor
