Chancellor Deane W. Malott,
University of Kansas.

Dear Chancellor Malott:

We got the job done.

Mr. M. N. Penny received a communication from Mr. Roy Stookey, state architect, telling him that priorities had been approved, and so forth.

Have you been able to find the three bids on the swimming pool construction? I remember distinctly in giving them to you when you were in my little back office quite some time ago. You stated that you would study them and submit them to the Board.

Very sincerely yours,
