Dear Phog:

Your letter of October 11th suggesting an activity fee charge is probably perfectly sound. I am under constant pressure from nearly everyone, from the Kansan up and down, to expand the activity ticket to get other activities under the umbrella. Just now, the situation is pretty tight, and, as you know, I have no power to increase the fees, and the Regents look with reluctance upon increases.

As we work out our athletic problem there should be, however, more funds available for diversion from organized athletics to intramurals and I shall keep this suggestion in mind.

Thank you for calling it to my attention.

Sincerely yours,

Deane W. Malott
Chancellor
