

THE UNIVERSITY OF KANSAS

Office of
The Chancellor

October 6, 1941

TO HEADS OF DEPARTMENTS:

The copy for your department from the current issue of Section II of the Catalogue is attached. Will you kindly make the necessary changes and corrections in the copy and return it to the Chancellor's Office?

In order that publication of the new catalogue may not be delayed, the copy should be returned not later than November 1. An earlier return will greatly facilitate preparation of the final copy for the printer.

Sincerely yours,

RAYMOND NICHOLS,
Executive Secretary
