Chancellor Deane W. Malott
Frank Strong Hall
Campus

Dear Chancellor Malott,

Over a month ago I asked Mr. Davidson about the handball courts. He said that they were painted and were in ship-shape. He is rather deaf and perhaps he answered me regarding the tennis rebound practise wall which he painted and marked. This is adjacent to the handball court. When he does not have his ear phone I find it difficult for him to understand what I say to him.

This is undoubtedly how the trouble occurred. I promise you my immediate attention to this matter. I am sorry about the misunderstanding.

Sincerely yours,

Director of Physical Education and Recreation
