

thro 2 yrs of college (college for boys only) I teach swimming once a week to all grades (1st grade thro H.S.), have P.E. twice a week for grades 4 thro 9, once a week for grades 10, 11, + 12, and rhythms twice a week for grades 1, 2 + 3.

Mr. Lovett teaches the dancing for grades 4 thro H.S., but plans to retire very soon and leave the load on Joe, my co-worker, and me.

I'm no longer a janitor. When I have a badminton or valley ball class, I go into this beautiful gym where the nets are up, teach my class, go back to my office and the nets take care of themselves. A colored maid in the shower room sees that everyone gets dressed, suits taken care of and hair dried before the students go back to other classes.

I'm on the playground from 12:00 to 12:30 for noon recreation then have a free lunch at the Clinton Inn

enough that they may be educated on a few of the newer ideas of education. Some wasn't built in a nite, so I'll handle the situation with gloves on.

I turned down an offer at Duluth State Teachers which in salary was as good as here and it was a bit hard to turn down since my ambition has been to get into a college or university. However, I have ego enough to believe that I can still get a college job if I so desire after I've enjoyed this environment for awhile.

I have a huge gym, a beautiful swimming pool, and Lovett Hall, the 3rd most beautiful ballroom in the Nation with an orchestra provided for all rhythm work I do.

The enrollment is limited to around 300 from kindergarten
