Memo to Chancellor Malott:

I have contacted Mr. Cecil Hough, of the Kansas Electric Power Company, who is chairman of the Program Committee of Rotary.

Mr. Hough stated to me that the first Monday he had open for Mr. Harry O'Kane to present his student employment problems would be Monday, September 28. Mr. Hough said that he would like for Mr. O'Kane to take the full program time which would be 20 - 25 minutes to present his subject. Doubtless Mr. O'Kane will hear from Mr. Hough in the very near future.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
