Lawrence, Kansas.

Dear Coach Allen:

Thanks for your welcome letter of Aug. 4th.

However, we regret that we are unable to furnish Push Ball Bladders, an item which we manufactured in the past.

Push ball bladders require fresh, crude rubber and the Rubber Branch of the W.P.B. does not permit the production of this item, regardless of top Preference Ratings.

So sorry that we cannot serve you. Almost everything else in our Billetin can be supplied and we are looking forward to hearing from you again.

Yours very truly,

V. E. Hofstetter
