

I have just had a conference with Lieut. Neal and Lieut. Douglas and they are anxious that Messrs. Shenk, Strait and Kanehl handle as many of their classes as possible. It may be that Dean will have to take over the Naval fliers. At any rate, we can give him a full schedule if this is quite agreeable to you and the Chancellor. To get him by July 1st we will have to work several angles, but I think it can be done. I would recommend that he be paid \$2600 on a 12 months basis. Of course the pro rate payment would of necessity be worked out by you.

After you have read this I would be happy to talk to you at your convenience.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
