Dr. F. C. Allen
University of Kansas

Dear Dr. Allen:

This will acknowledge your summary of the talk you gave at the basketball rally on Tuesday, January 6. Although the convocation committee has not adopted a policy of requiring a written summary of each convocation program, I am glad to have your report to circulate to the members of the committee.

I attended the convocation myself and although I did not leave with a feeling that you had used the convocation to "brawl", I did feel that your treatment of the Tucker case near the end of the hour was rather emphatic. I should not have handled it that way, but then I readily admit that my neck is not as tough as yours!

Sincerely yours,

Raymond Nichols

Executive Secretary
