To Members of the Physical Education Staff:

The following letter has been received from Mr. Raymond Nichols concerning use of Robinson Gymnasium on Friday and Saturday of this week. I trust it will be possible for you to make the necessary adjustments for classes which use the gymnasium floors.

"The officials of the Kansas High School Activities Association have requested the use of the main floor and the basketball court of Robinson Gymnasium all day Friday and Saturday, April 12 and 13, in connection with the district music competition being held on the campus at that time. It is proposed that the building be used only for the checking of instruments and dressing."

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
