Dr. Allen:

Mr. Nichols called and said that due to the Music Clinic which is being held next weekend, they have made arrangements for basketball practice in the auditorium as follows:

Thursday, Jan. 9 - team can practice until
5 or 5:30

Friday, Jan. 10 - closed to practice altogether

Saturday, Jan. 11 - team may go in at ^{5:30}~~4:30~~

3:30 - 4:30 performance

4:30 - 5:30 remove elevations

(remove elevations will take an hour)

This will necessitate having the goals taken down Thursday night or Friday, and put up again early Saturday morning. Mr. Nichols said he would call Mr. Falkenstien about the goals so he could tell Mr. Davidson.
