

June 25th, 1941

Mr. Raymond Nichols

Chancellor's Office

Campus

Dear Raymond:

Thank you for your good letter of the 23rd instant, clearing my parking violation. I parked on Saturday east of the Administration building thinking of course that there were no regulations obtaining on Saturday since there is no school.

Do the summer regulations still prohibit parking on the main drive on Saturday? I always park behind the Gymnasium building during school days but did not know that the rule obtained on Saturday.

Sincerely yours,

Director of Physical Education
and Recreation-Varsity Basketball
and Baseball Coach.
