Chancellor Deane W. Malott
University of Kansas

Dear Chancellor Malott:

Concerning the Baker situation, I have every confidence that we will land him for the University of Kansas.

I merely send you the information to show you that if we do land a boy like this over unfair competition that it is necessary for us to allocate about a fourth of our waking hours to satisfy alumni and friends of the University who emphatically feel that if we do spend less time than that above mentioned we are selling them short.

But did not our forefathers who coined the Kansas motto promise us nothing but sweat and toil? We are living up to our heritage, I imagine.

Sincerely yours,
