Chancellor Deane W. Malott
Frank Strong Hall
University of Kansas

Dear Chancellor Malott:

I am sending you my file on Dr. Jessen and Hoyt Baker.

Hoyt Baker, it seems is a very capable athlete and a fine student and comes from a very fine family in Peabody.

I know you are too busy to be bothered with much of this, but I want you to see what they are doing in other communities. I think it was the bantam rooster that made this statement to his hen family when he walked out of his cage into the ostrich pen and discovered an ostrich egg, "Come over here. I want to show you what they are doing in other communities."

Apparently those Notre Dame boys have a big nest egg.

It is not necessary for you to reply to this correspondence, but this gives you a pretty definite idea of why boys leave our State and go to Colorado, Oklahoma and Notre Dame.

We would appreciate your returning this correspondence for our files after you have finished reading it.

Very cordially yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
