Chancellor Deane W. Malott
Frank Strong Hall
University of Kansas

Dear Chancellor Malott:

I am enclosing carbon copies of my correspondence with Mr. G.F. Alcott, one of the important executives of the State Farm Insurance Company, Bloomington, Illinois.

Since you mentioned once that there are possibilities of having a field house, if someone would build it, I thought I would pass this correspondence on to you for your judgment.

Very cordially yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
