

April 15, 1939.

Dean Paul B. Lawson,  
College of Liberal Arts and Sciences,  
University of Kansas.

Dear Dean Lawson:

I am enclosing carbon copy of a letter that I have written to Chancellor Lindley regarding the possible candidates for the vacancy in the Department of Physical Education.

We are attempting, of course, to get the best man in the field, if possible.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
