

April 15, 1939.

Dean R. A. Schwegler,
School of Education.

Dear Dean Schwegler;

I am enclosing a carbon copy of the letter that I have written to Chancellor Lindley regarding possible candidates for the vacancy in the Department of Physical Education.

We are attempting, of course, to get the best man in the field, if possible.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
