

TABLE VII

| Number of poles on towers per installation |                    |
|--------------------------------------------|--------------------|
| Poles or Towers                            | High School Fields |
| 4                                          | 1                  |
| 5                                          | 2                  |
| 6                                          | 47                 |
| 7                                          | 4                  |
| 8                                          | 240                |
| 9                                          | 7                  |
| 10                                         | 144                |
| 11                                         | 4                  |
| 12                                         | 8                  |
| 13                                         | 1                  |
| 14                                         | 9                  |
| 17                                         | 1                  |

TABLE VIII

## Heights of poles or towers

| Ht. of poles or towers | High School Fields |
|------------------------|--------------------|
| 40' or less            | 26                 |
| 41' to 45'             | 21                 |
| 46' to 50'             | 83                 |
| 51' to 55'             | 100                |
| 56' to 60'             | 164                |
| 61' to 65'             | 26                 |
| 66' to 70'             | 20                 |
| 71' to 75'             | 14                 |
| Over 75'               | 20                 |

TABLE IX

## Distance of poles or towers from side lines

| Distance from side Lines | High Schools |
|--------------------------|--------------|
| 15' or less              | 212          |
| 16' to 25'               | 151          |
| 26' to 35'               | 46           |
| 36' to 45'               | 30           |
| 46' to 55'               | 13           |
| 56' to 65'               | 7            |
| 66' to 75'               | 2            |
| 76' to 90'               | 2            |
| Over 90'                 | 20           |
