Mr. Theodore Charlton  
Care of Glenn Charlton  
Insurance Building  
Lawrence, Kansas

Dear Mr. Charlton:

Mr. Fred Frey and his wife have been employed at the Lawrence Country Club so we do not need anyone at the present time. Thank you for your letter offering your services.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach

Mr. F. C. Allen  
Lawrence, Kansas.

(I need change)  
I engaged

Dear Mr. Allen:

As you probably know, I have recently married again and the girl I married has had seventeen years in the Catering business for the public.

I feel that with she + I together we could be of benefit to the Lawrence County Club. I understand that you have changed management recently, but if anything should occur would you kindly give us consideration? I would appreciate a reply advising me the status at this time or near future. Please address our in care of Glenn at the Insurance Office as I will contact him from time to time

Sincerely,  
Theodore Hartman

Mr. George Clark  
Football Coach  
University of Nebraska  
Lincoln, Nebraska

Dear Patsy:

I acknowledge receipt of the announcement of the marriage of your daughter, Jane, to Ensign William Norcross on August 28. I received this at the office, and am taking it home to Mrs. Allen who will write to Janet. These announcements are indications that we are getting old, as I have had that experience five times already. I know how difficult it is to give the daughters up, but it is a great thing that these youngsters can plan and make their own homes. My best wishes to you, your daughter, and your son-in-law. You know how men are when they are extending felicitations--rather awkward--but they mean well just the same, Patsy.

I am sending you a Jayhawk Rebound, No. 18, which has to do with Col. Lindsay and other celebrities and celebrities. You perhaps won't have a chance to read much of it in your busy season, but I thought you might want to scan over it for some of the news regarding old Jayhawkers whom you have known.

I was sorry to see Minnesota unleash their kinetic power. They have it, and when they start rolling, they are doubly tough. I don't know whether I'll be able to get to Lincoln on November 3 to see you tackle with our Jayhawks or not, but I feel it will be a corking good game.

With all good wishes, I am,

Sincerely yours,

Forrest C. Allen, Director  
Department of Physical Education  
Varsity Basketball Coach

Mr. M. E. Cheeseman, Principal  
Leonardville Rural High School  
Leonardville, Kansas

Dear Mr. Cheeseman:

I am sorry that I have not answered your communication of the 14th instance sooner. As District Governor, I have been out of town quite a bit lately.

We are playing Iowa State on Saturday, October 6th. If Pryce Hurley can come to Robinson Gymnasium Saturday morning, I will be glad to look at his shoulder.

I am not sure that I will be in Lawrence on the 12th when we play Washburn at Haskell Stadium, Friday night. I may be here, but generally when we do not have a game, I am not always in Lawrence. The next home game is November 17th, Kansas State at Lawrence.

I have a course in theory and practicing of athletic injuries. Personally, I would much rather that Hurley come at 9:30 in the morning on Monday, Wednesday or Friday at some time convenient to you and to me, then the boys in the class would have an opportunity of observing the injury and learning something from the situation.

I have not kept a Clinic Record as I do this work voluminously and have so many of similar cause, if I did I would have no time to do any other necessary work. Let me know the date that you decide, and I will endeavor to help young Hurley all that I can. However, I would advise that the boy wear the strap to hold his shoulder in place because the shoulder joint is a very unstable one, and if he gets his elbow above the plane of the shoulder and if he should have it struck from underneath, causing an elevation of the elbow and a lowering of the head of the humerus, the dislocation is very apt to recur.

Sincerely yours,

Director of Physical Education  
Varsity Basketball Coach

Dr. F. C. Allen  
University of Kansas  
Lawrence, Kansas

My dear Dr. Allen,-

I have a boy in our school who is troubled with a shoulder having a tendency to fly out of joint. He wears a strap when playing basketball to keep it in place and the strap interferes with his playing.

He was examined by you a couple of years ago and I believe he wears the strap as a result of your examination and recommendation. His shoulder has gotten better as a result and he would like for you to see it again soon and advise him further about it.

He would like to know about two weeks in advance as to the date that would be most convenient for you to examine him in order that he might make any arrangements at home to go. I am presuming he would prefer a Saturday, if possible to get it on that day.

If you have kept a record of the examination, the name is Pryce Hurley of the above address.

With hopes that you might be able to accommodate him, I am

Respectfully yours,

*M. E. Cheeseman*

Mr. Rudy Carl  
Box 245  
Fish Creek, Wis.

Dear Rudy:

Your letter arrived this morning with a blank from M.I.T. I immediately filled it out and gave you a tip-top recommendation. Regards to your dad. Tell him to keep his eye on the pill and follow through.

Hope you are all having a nice time.

Fraternally,

Forrest C. Allen  
Director, Physical Education  
Varsity Basketball Coach

Basketball Coach  
University of Kansas  
Lawrence, Kansas.

Dear Phog:

Now that the war has ended and the ODT has given us a "green light", we are proceeding with our Sixth Annual College All-Star Basketball Game. It will be held on the night of November 30 in the Chicago Stadium with the net proceeds going to the Herald-American fund to provide added comforts for wounded veterans in our hospitals.

The All-Star squad again will be made up of twelve to fifteen top college players. Obviously it is impossible for us to see all the nation's cagers in action; so once again we are calling on the outstanding sports writers, coaches and officials to serve on our All-America Basketball Board. The top players they select will make up the squad which meets the world's pro champions -- Fort Wayne.

Enclosed is a questionnaire which we'd appreciate having returned at your earliest convenience.

With kindest regards, I am

Sincerely,

*Leo Fischer*

ROTC - High School  
LEAVENWORTH, KANSAS  
5 SEPT. 1945

Dear Dr. Allen:

Just a note to give you the latest details and my change of address.

I was sent here to Leavenworth High School as PMS & T. Being so close to home and K. U. is almost too good to believe. You can bet I'll be present for those basketball games, also Coach Shenk will get another spectator. I haven't seen a football game for four years. I haven't seen a Shenk coached team since I played for him as a Freshman at Paola High.

Have had letters from Harold Hawkins from Manila and Dick Harris from the U. S. S. Lubbock recently. Hope they can join me in spectating soon.

Alice and I just moved in to a beautiful little house. We must be living right to have such luck. If you are in Leavenworth look us up at 411 Elm.

I'm hoping some of the boys will call me & drop in when they are separated here. With best wishes for a Championship Club, I am,  
Sincerely  
Harvest M. Chapman
