My dear Phog:-

Glad you did not get hurt when you got excited last Saturday. New York just wired for me to make a local of the Missouri-Kansas game and I would like to have four(4) press passes that would allow me to shoot from the roof of the press stand as well as on the side lines, 2 cameras, 2 assistants.

You may also receive request from Chicago or St. Louis for a national release. Please honor same, it is far more important <sup>than</sup> mine. Your boys certainly pulled one for the books last Saturday and I hope you do it again against Missouri.

Just talked to McBride and he hopes for a sell out crowd so he can kid you a little more - he is one fine fellow and a splendid booster.

Please do as your office has in the past, include a note for the gate-keeper on the West gate so I can get my car into the Stadium.

Thanks,

*Billy*
