Dear Doc:-

The tickets you and Mr. Falkenstein sent arrived just now and I really am more pleased with end zone seats than with some behind a post like the ones we had last year. Many thanks to you both for sending them. As Wimpy would say, I'd gladly mow your lawn, if you had a lawn to mow. I'm going to do better than that. I am getting some pecans from Texarkana, Texas, and they're the large Mahan brand, usually about as long as one's forefinger(I shan't make comparisons with other parts of the anatomy) and some fine day I'll drop down there with a handful for each of you.

Regards,
