Dr. Forrest C. Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen

This is to introduce the bearer, Marion Vaughn, a senior in the Yates Center High School, who is very much interested in attending Kansas University.

Mr. Vaughn has been an outstanding athlete during his high school career, basketball being his major interest. So far this season he has averaged 18 points per game.

The school and the community have a great deal of faith in Mr. Vaughn's ability, and we would appreciate very much any assistance you may be able to give him in planning his college work.

Would it be possible for you to help Mr. Vaughn in acquiring a ticket for the basketball game on February 26?

I enjoyed the Kansas State game the other night--Kansas really gave them a going-over! Best of luck on your remaining games.

Sincerely

Marvin E. Cox
