

March 27, 1945.

Dr. H. C. Carlson, M. D.,  
Director of Health,  
Basketball Coach,  
University of Pittsburgh,  
Pittsburgh, Pa.

Dear Dr. Carlson:

I am indebted to you for your very fine treatise,  
"Basketball Research in Fatigue". It is beautifully done,  
and I wish to compliment you most highly for the endless  
amount of work that was entailed by you in getting this out.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
