

I am going to make it a point to call Mr. Sweeney in the morning. I have been out of town every night on speaking tours. Yesterday I spoke at the Electrical Club at luncheon at the President Hotel in Kansas City, and last night I attended the Casey Stengel dinner. Casey is our new manager of the Kansas City Blues, and years and years ago I refereed football and basketball games when Casey was in Central High School. I have come in such close contact with him so many times that I consider him one of my close personal friends. It was a great meeting, with Casey in rare form.

With every good wish for your rapid and complete recovery, and with kindest personal regards, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
